### New Online Service for KaraFun

04/01/2011

Recisio has just launched its new streaming platform KaraFun which, after months of development, now sees the light of day.

Users worldwide will be able to access through a 24-hour pass or a monthly subscription, a vast catalog of popular songs from their PC, iPhone and later, TV.

Recisio would like to thank everyone involved, including all rightsowners who have already shown their trust into this ambitious project.
